

BROOMFIELD/BRIGHTON

NEW SAFETY PROTOCOLS

Your safety is our top priority! Over the past 10 years, we have served this community and helped thousands of local families! We feel certain we can continue to provide this essential service safely! For our upcoming sale we will follow current COVID-19 local health and government guidelines. We are adjusting procedures to hold our sale in a way that is safe, spacious and sanitized. Please see below. Thank you for working with us so we can keep our community well cared for and safe.

what to expect

THINGS WILL LOOK A BIT DIFFERENT.

So much about our sale—the amazing people, the fabulous deals, the huge selection—will be the same. But due to our current times, things WILL look a bit different. You know how at the grocery store, you have to follow certain new standards? We'll be doing the same. We will be following guidelines put forward by Center for Disease Control (CDC) and our local government and health officials. Here's what to expect.

BEFORE THE SALE

CONSIGNORS:

We will be limiting occupancy during drop-off and pick-up. Appointments will be required. We will be sanitizing rolling racks and carts between use. We ask that you leave children at home if at all possible. If you must drop off with your kiddo(s), they need to be with you AT ALL TIMES. Masks or face coverings (face shields OK) will be required for everyone during drop off, including children if you need to bring them!

GET TICKETS:

We will be limiting our shopper flow through our facility. To make sure we have time for everyone to shop, we will ask you to RSVP so we know what day to expect you. Every person, including children (except infants or children in strollers) entering the sale will need a ticket (either a free admission ticket or paid for at the door. You can do that on our website (broomfield.jbfsale.com). Masks or face coverings will be required for everyone over the age of 2 to enter the event and to shop. NO EXCEPTIONS. These are not required for children in strollers.

Are you well?

We will be asking anyone who does not feel well or demonstrates any of the symptoms of Covid-19 published by CDC to please not attend.

Grown-up Shoppers preferred, please:

For their safety, we are asking parents to please not bring children to the sale during our busy times (typically in the mornings before noon). The only exception here is for carrier-worn infants. Children may attend anytime on Friday as it tends to be a slower day. Note that children count toward our occupancy limit; please reserve a ticket for them so we can stay within our capacity! If you attend with children, they must be wearing face coverings unless they are carrier-worn infants or in strollers.

Shopping Bags:

We ask that you plan to bring your own shopping bags, baskets, wagons or carts to the sale. If you would like to purchase bags AT the sale, we will have some large IKEA-type bags available for \$3 each.

AT THE SALE

Entrance:

As you enter, we will ask for your ticket confirmation. Please make sure to bring this information with you. Please make sure to bring this information with you. Hand sanitizer will be made available to you as you check in.

What to expect

Distancing:

We will ask that shoppers who are not from the same family unit stay 6 feet from one another (physical distancing).

Masks/Face Covering:

We will ask that all our participants wear a mask or another face covering (shields OK). No exceptions will be made. These will not be available at the event. All team members will be wearing masks or face shields to help keep you safe as well.

Check Out Line:

We will be setting up a check-out reservation system. You will not have to wait in a physical line, the line will be "invisible". You will receive a text message when it's your turn to checkout and proceed to the register with any of the items you have decided to purchase.

At the Register:

Your checkout will happen with a shield between you and the cashier for added protection.

WHAT WE WILL BE DOING

Behind the scenes to insure your safety, we will be taking the follow safety measures and practices.

- We will perform regular cleaning of high-touch surfaces.
- All Team Members will be wearing masks or face shields.
- Team Member temperatures will be taken as they arrive at the sale.
- We will be performing regular hand washing
